

City & Theme Park Tour

{5 Nights /6 Days}

Malaysia is a Southeast Asian country occupying parts of the Malay Peninsula and the island of Borneo. It's known for its beaches, rainforests and mix of Malay, Chinese, Indian and European cultural influences. The capital, **Kuala Lumpur**, is home to colonial buildings, busy shopping districts such as Bukit Bintang and skyscrapers such as the iconic, 451m-tall Petronas Twin Towers

Johor Bahru, capital of the Malaysian state of Johor, sits at the southern tip of the Malay Peninsula. With a causeway across the Straits of Johor connecting it to Singapore, it's a gateway for exploration of that island nation. On the Johor Bahru's waterfront is Istana Besar, a royal palace built by Sultan Abu Bakar in 1866 that now houses the Royal Abu Bakar Museum.

Every day is a family fun day out with awesome adventures aplenty, starting from The Beginning to the most amazing journey through LEGO® Technic, LEGO Kingdoms, Imagination, Land of Adventure, LEGO City and MINILAND. Heroes face "brick-tactic" challenges, rides, games and activities to emerge victorious at the end of each day

The **LEGOLAND** adventure continues at the LEGOLAND Water Park for more "splash-tabular" action, and at LEGOLAND Hotel for awesome end-of-day activities plus spectacular stays in LEGO themed rooms
